

Mini Online Shopping Exercise

1. You want to order 60 photo prints at Walgreens (size 4x6). Try to get the best bargain you can.
 - a. What discounts can you find at Walgreens.com?
 - b. What Walgreens coupons can you find elsewhere using Google?
 - c. How much would you pay?

2. Go to shoplocal.com
At the top left in the window, click on "Not your Location" and enter the zip code of where you live. Then search for a particular item or look at some weekly ads for some stores near you.
